Mridul Dutta

Software Engineer at Google
Toronto

Summary

Software. Travel. I love providing career advice and inspiring others to achieve their own Canadian Dream.

[Update: Really excited to join as a mentor on My Canadian Mentor]

If you are a new Canadian immigrant or are interested in the Canadian Software Job market, then feel free to book a session with me on MyCanadinMentor (www.mycanadianmentor.com)

p.s: I'm super proud of getting a handful of Canadian Immigrants placed at Google through mentorship and referrals !! :)
